The Guild Hymn

- | | |
|---|--|
| 1. Worship we our Lord and Father
As we gather, as we sing
Praise him, Praise him, now and ever
Bringing glory to our King
Worship we our Lord and Father
Bringing glory to our King | 2. Fellowship we seek and cherish
Friend with friend and stranger too
Sharing troubles, joys and pleasures
Showing love that comes from You
Fellowship we seek and cherish
Showing love that comes from You |
| 3. Service to the world we offer
We would wish to play our part
But we need your strength to aid us
Give us caring loving hearts
Service to world we offer
Give us caring loving hearts | 4. Teach us to give You the glory
When we follow in your way
Worship, fellowship and service
Are your gifts from day to day
Teach us to give you the glory
For your gifts from day to day |
| 5. We your people praise and thank you
For the blessings that we have
Glory, honour, now we give you
Whose we are and whom we serve
We your people praise and thank you
Whose we are and whom we serve | |
